

Juan Angelats, M.D., F.A.C.S.

Dr. Juan Angelats, a member of the Illinois-Peruvian Medical Society, is a Board Certified Plastic Surgeon who specialized in reconstructive surgery in patients with burns, breast and skin cancer. He has recently retired. He was very skilled in Mohs micrographic surgery reconstruction.

In addition, Dr. Angelats performed cosmetic surgery, including breast augmentations, breast reduction, body contouring, facelifts, tummy tucks, nasal surgery, forehead lifts, fat injections and eyelid lifts. He was a Professor and past Chief in the Division of Plastic and Reconstructive Surgery at Loyola University Chicago Stritch School of Medicine.

He has now been named Professor Emeritus. Dr. Angelats has also written many peer review articles and book chapters. Throughout the years he has led several medical mission trips to Peru to help the most needy with numerous Loyola physicians, his residents and Stritch students.
